

Are you ready to join a passionate community of people who are changing how health care is delivered? A place where you will find a career you love while truly making a difference building healthier communities. If this sounds like you, we would love to have you apply as Strategy & Growth Intern with Medical Home Network (MHN)!

**MHN** is a not-for-profit collaborative that has fundamentally changed how care is delivered. Our proven model of care unites provider communities and diverse healthcare entities around a common goal: to redesign healthcare delivery and transform the way care is managed.

#### **THE PERKS**

- Fun, challenging, and collaborative work environment with passionate colleagues that care deeply about healthcare delivery.
- Recognized as One of the Best Places to Work in Healthcare by Modern Healthcare.

#### **THE OPPORTUNITY:**

This role will support the development and execution of MHN's strategic planning process and contribute to complex, high-value strategic initiatives spanning all functions of the organization. Reporting to the Associate Director of Strategy & Implementation, this role provides visibility across the organization, both vertically and horizontally, and will expose the student to many aspects of growth strategy.

This role is embedded in the Strategy, Growth, and Implementation department at Medical Home Network (MHN), and the student may be asked to support a wide range project advancing the department's 3 primary objectives:

1. Formulate the organizational strategy, driving alignment to execute on the strategy and directing the strategic planning process
2. Overall business development including cultivating growth partnerships, identifying gaps in the offering or capabilities portfolio and lead in pitches and contracting efforts
3. Implementation of new market-specific programs and high-value internal organizational initiatives

#### **WHAT YOU CAN LOOK FORWARD TO:**

- Conduct research, analysis, and evaluation of market trends, health care policies and programs, public datasets, competitive environment, and new opportunities
- Synthesize analyses and summarize key findings in a deliverable format (e.g., memos, presentations, briefings, etc.) that can be used in executive teams, Board of Director/Manager meetings, and with external audiences
- Contribute to the organization's strategic planning process, including research and discussion materials, to shepherd department leaders through the process
- Monitor the execution of the strategic initiatives against the annual plan
- Assist with executive-level workshops and planning sessions for MHN and/or MHN ACO leadership
- Support project management activities for new market implementation (project plan, meeting materials, tracking of risks and issues) and/or MHN ACO committees
- Collaborate widely with all business functions (clinical, technology, operations and finance, compliance)

- Work on other duties and participate in special projects as assigned
