Job Title:	Water Utility Technician – Collection & Pumping (3072)
Closing Date:	When Filled
Salary:	\$28.1236/hour per CBA
Job Type:	<input type="text"/>
Location:	<input type="text"/>
Department:	<input type="text"/>

Job Description:

The City of Naperville's Water Utility is currently seeking a Water Utility Technician for the Collection & Pumping division to perform skilled and semi-skilled work in wastewater collection, maintenance, and inspection. In this position, candidates will be responsible for jet flushing, investigations of sanitary sewer problems, flow monitoring, assisting with lift station concerns, and customer service.

Responsibilities:

- Investigates sanitary sewer problems. Performs jet flushing, flow monitoring, and assists with lift station concerns.
- Operates televising and other equipment used in the inspection, maintenance, rehabilitation, and repair of the sanitary sewer system.
- Provides a high level of wastewater customer service to residents and fellow employees.
- Prepares maintenance records on all equipment used.
- Locates and inspects sanitary sewers. Monitors contractors, construction, and rehabilitation projects (including mapping and system analysis).
- Maintains buildings, grounds, inventories, and vehicles.
- Performs lift station maintenance work (painting, preliminary investigations of wet well level and pump operations, bypass pumping, monitoring portable generator performance, and other electrical/mechanical duties).
- Monitors work zones for unsafe conditions.
- Maintains and repairs flow meters and performs a large volume of mapping duties for GIS/CIP projects.
- Reliably responds to emergencies after normal work hours and works overtime as needed.
- Performs all other duties as assigned.

Qualifications:

- Two years of responsible equipment operation experience or utility construction experience.
- Must be able to properly use hand tools and perform building/grounds/equipment maintenance.
- A high school diploma or equivalent.
- Must be able to obtain an IEPA Collection System operator certification within two years of hire.
- Must be able to obtain NASSCO PACP/MACP/LACP certification(s) within one year of hire.
- A valid State of Illinois Class D driver's license. Must obtain a valid State of Illinois Class A CDL with tanker and air brake endorsements within three months of hire.
- Preferred candidates will possess previous municipal water & sewer experience, previous electrical experience, and PC skills (Microsoft Office suite skills and familiarity).

Additional Information:

The City of Naperville, Illinois is a dynamic community of 149,000 residents, conveniently located 28 miles west of Chicago. Various publications have named Naperville as one of the best cities in the United States in which to live. The City has gained national recognition for our family-friendly environment, excellent schools and library system, low crime rate, and vibrant downtown area. It's also a great place to work!
