Looking for a new career opportunity with an innovative, technology-driven company? eX<sup>2</sup> Technology is seeking a highly skilled individual to fill our available Staff Accountant position. As a Staff Accountant, you will become an all-purpose utility contributor on the Accounting Team, helping to improve the flow and decrease the time to close month end financials, including processing journal entries, performing account reconciliations, and analyzing results.

In return, we offer competitive pay with an excellent benefit package including paid time off, company matching 401(k) plans and medical, dental, vision and life insurance options along with professional development and career advancement opportunities in a growing technology-driven industry.

### **WHAT DOES A TYPICAL DAY LOOK LIKE?**

You will perform basic accounting functions including auditing revenue and expense accounts, reconciling balance sheet accounts such as cash, credit cards, accounts receivable, fixed assets, payroll accounts, accruals, and intercompany. You will prepare and submit various governmental filings and returns, including property tax and sales tax applications/returns. You will aid in the preparation of the organization's IRS compliance requirements. You will maintain a record of all fixed assets including date of purchase, cost, voucher number, and depreciation data. You will prepare, analyze, and post job cost entries and disseminate related reporting and analysis. You will review and approve timecards.

### **JOB REQUIREMENTS**

- Bachelor's degree in Accounting, Business Administration, or equivalent combination of education and experience required.
- Minimum of 2 years of experience in an accounting field required.
- Excellent critical thinking, analytical, and problem-solving skills.
- Strong computer skills in Microsoft Office, including PowerPoint, Excel, and Word.
- Ability to work independently, meet deadlines, and multi-task while maintaining quality standards.
- Advanced knowledge of Excel.
