Location:	Schaumburg, IL
Term of Employment:	Regular
Type of Employment:	Full Time
Start Date:	Immediate
Starting Salary:	Competitive Hourly commensurate with experience
Benefits:	Profit sharing, 401(k), health & dental care, paid vacation, sick time
Minimum Education:	High School or Equivalent
Minimum Experience:	3 Years (preferred)

POSITION DESCRIPTION

Machinery Systems, Inc., a leading Midwest CNC machine tool distributor with a 47 year history of representing Mazak, the world's largest machine tool builder, is seeking a CNC Field Service Technician to join our expanding business. The Service Technician will travel to customer locations throughout Illinois, Indiana, and on occasion Wisconsin and the UP of Michigan.

The CNC Field Service Technician's primary responsibilities will be to perform non-warranty electrical and mechanical diagnosis and repairs, on Mazak machine tools at customer locations. The technician may be also asked to perform machine alignments and preventative maintenance services. This job does require "in region" travel, and occasional overnight stays may be required.

REQUIREMENTS

- A minimum of 3 years in a machine tool repair position with an end user, distributor or builder of CNC machine tools or similar is preferred. Industrial maintenance experience will also be considered. We may also be willing to train the right candidate.
- Requires strong problem-solving skills with an excellent knowledge of both mechanical and electrical areas of repair areas of repair of CNC machine tools.
- Aptitude or ability to work with 3 phase wiring, 100V AC and 24V DC circuits.
- Aptitude or ability to perform precision machine relevel and alignments.
- The ability to read, interpret and understand blueprints, electrical schematics, hydraulic/pneumatic schematics and ladder logic is a huge plus.
- Must be a self-starter and be highly motivated
- Must possess strong customer service orientation, be flexible to adjust to customer demands and have effective communication skills.
- Good interpersonal skills.
- Must hold and maintain an unrestricted driver's license.

REWARDS

- Competitive hourly compensation
- Paid Vacation and sick time
- Laptop, cell phone reimbursement
- Insurance (health, dental, life, LTD), flexible spending plan (Section 125)
- 401(k), profit sharing (as available)

If you enjoy working for an innovative leader who is expanding their business, this Service Technician opportunity may be for you.
