

# Environmental Technician

## IMMEDIATE OPPORTUNITY to join our team.

Do you love spending time outdoors? Do you want a job that keeps your body active while still challenging your skills? Prairie Engineers is a growing company, looking to add an Environmental Technician to assist primarily in the field with native restoration. This isn't the easiest position; we work long days in sometimes harsh conditions, but we also take pride in completing larger and more complex projects than our peers. This opportunity is available to be filled part-time or full-time in our Hazelwood MO, Hannibal MO, or Columbia IL offices with generous benefits, competitive salary based on qualifications, and paid travel expenses including a per diem allowance for meals. If you are looking for a challenge, if you enjoy being a part of a capable and contributing team, and if you enjoy doing what it takes to get the job done well, we may be the right fit for you, so let's talk!

### Job Functions

**Invasive species** removal involving both mechanical removal and herbicide treatments; **Native species** planting, restoration activities, and timber stand improvements; **Travel** often on short notice; **Work safely** in various locations and all types of weather conditions; **Maintain focus** on project delivery and client service while meeting deadlines.

### Minimum Qualifications

- Education:** High School Diploma or equivalent with additional coursework in Restoration Ecology
- Knowledge:** Ability to identify herbaceous and woody plant species; familiar with safety practices
- Experience:** Safely operate mechanical tools including chainsaws, brush cutters, push/riding mowers
- Communication:** Good verbal and written skills
- Ideals:** Professional, positive attitude with a strong work ethic
- Teamwork:** Ability to work both independently and as part of a team
- Responsive:** Communicate openly, proactively, and promptly
- Safety:** A valid driver's license and a clean driving record
- Travel:** The ability to travel for extended durations and on short notice

### Preferred Qualifications

- Education:** Bachelor's Degree in Environmental or Biological Science
- Experience:** 2+ years' experience working as an environmental technician in the field of natural resources
- Certifications:** Pesticide applicator license with experience handling chemicals and herbicide/pesticide application
