Lead the Work. Build Your Craft.

Since 1969, Lindemann has been one of the nation's largest and most respected chimney service companies. This is an exciting opportunity to **leverage your masonry experience** and learn a new, in-demand field: **chimney, fireplace, and venting systems**. You'll lead masonry work across Chicagoland while we train you on chimney-specific installs.

WHAT YOU'LL DO

- Lead chimney masonry jobs on residential properties, from setup to final cleanup
- Perform full and partial chimney rebuilds, brick and block replacement, and tuckpointing
- Form and pour chimney crowns; repair fireboxes and smoke chambers
- Install flashing, caps, and waterproofing
- Learn and perform chimney-specific installs, including relining and venting systems
- Direct and train a helper on the job, keeping work on schedule and to standard
- Set up and work safely from ladders, scaffolding, and roofs
- Communicate professionally with homeowners and keep a clean job site

WHAT WE'RE LOOKING FOR

- Proven experience laying brick and block, including rebuild and tuckpointing work
- Ability to work independently, plan a job, and direct a helper
- Comfortable working at heights — roofs, ladders, and scaffolding
- Strong work ethic and pride in quality craftsmanship
- Valid driver's license with a clean driving record
- Authorized to work in the U.S. and able to pass a background check
- Able to commute to Lake Bluff, IL 60044
